Volunteers and Dive Team to Help at Waterway Cleanup

Volunteers are invited to help make the Teague Park pond and surrounding area cleaner during the Waterway Cleanup. The annual event begins at 9:00 a.m., Saturday, February 19, 2011, at Teague Park, 415 American Legion Blvd. In addition to the normal cleanup activities, the event will feature a visit from the Longview Fire Department Dive Team to assist with the pond cleanup. During the event, the Dive Team will demonstrate water search techniques and display equipment.

According to Community Relations Coordinator Mary Jane Burnett, "The Waterway Cleanup is a great volunteer opportunity for individuals, families, or businesses. Just register and then show up ready to help."

Cleanup supplies such as trash bags, gloves, safety vests, and litter grabbers will be provided. Breakfast snacks and lunch will be provided for working volunteers. Also, Waterway Cleanup patches will be available for any scouts that participate. Volunteers are welcome to bring lawn chairs to use during lunch or while watching the Dive Team demonstration.

The Waterway Cleanup is coordinated by the City of Longview and Keep Longview Beautiful in partnership with Keep Texas Beautiful and the Texas Commission on Environmental Quality.

For more information, please contact Keep Longview Beautiful at 903-237-4029, call the City of Longview Volunteer Center at 903-237-1390, or visit LongviewTexas.gov.

Special Note - Tire Recycling Event: *Gregg County is sponsoring a Tire Recycling event from 8:00 a.m. - 5:00 pm., Saturday, February 19. The event will be held at the Community Service Work Site, 3313 Pine Tree Rd. Gregg County residents with personal identification may drop-off passenger tires without rims. Tires with rims will NOT be accepted. No dealers allowed. For more information about the tire recycling event, please contact the Gregg County Health Department at 903-237-2620.*
